

# Letter Review

## A-F, G-M, N-T, U-Z

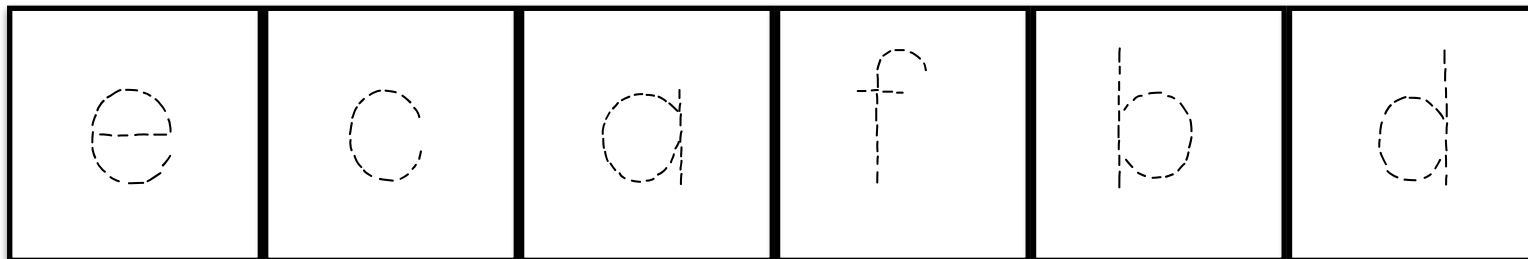

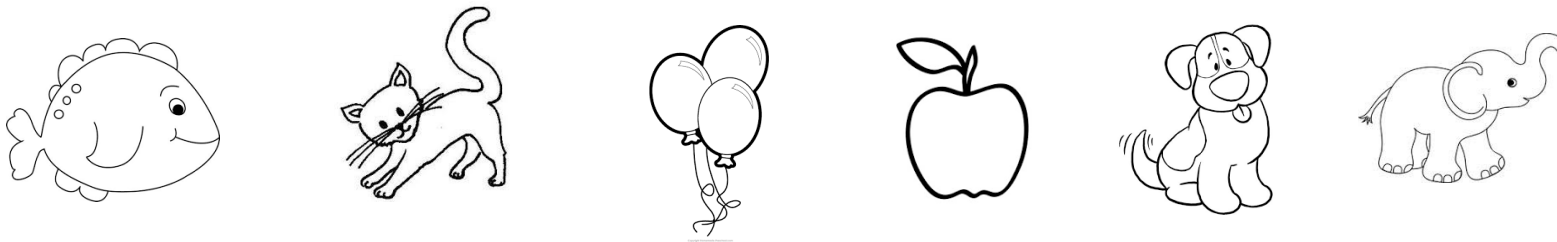

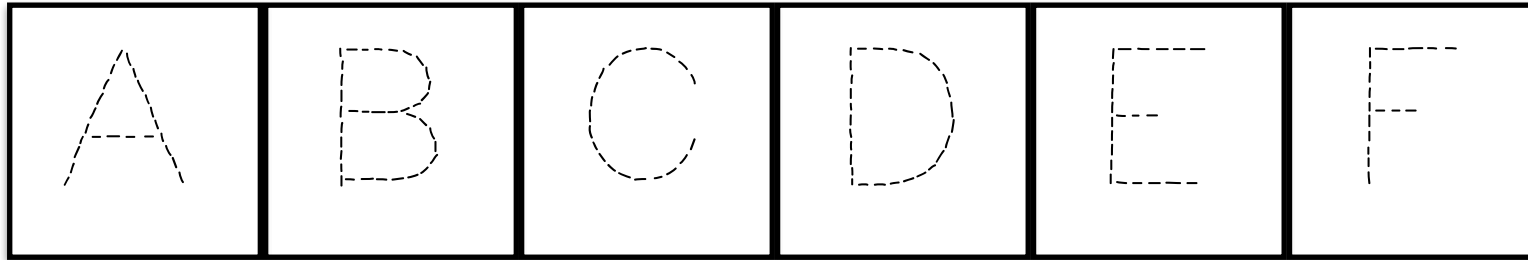

Use these simple, free worksheets for review after covering a group of 6-7 letters. Each worksheet gives your student practice tracing uppercase and lowercase letters and recalling the letters sound. Start by tracing the uppercase letter. Next, draw a line to the picture that starts with the letters sound. Finally, draw a line to the matching lowercase letters and trace it as well. It's a quick way to review letter recognition, writing, and sounds using only a small grouping of letters for each specified worksheet.

Have fun,
